*By ticking and agreeing to **Automatic Card Payment**, your credit card will be charged automatically for standing orders as well as single orders. There is a credit card fee of 10,00 DKK each time the card is charged. The card will be charged after the order has been shipped and therefore your statement of account will show an outstanding amount - please ignore this. Furthermore, your card will not be charged before you owe at least 100,00 DKK on your customer account with us. Please send us the new card details if you have a new card.
